Subject: Changes in Fees:  
Prospective Fees on Executions

Class: LSM-116b  
Category: AD - 40.3  
Effective Date: 02/24/2003

=====  
Chapter 655 of the laws of 2002, effective February 24, 2003, changed some of the fees allowed to the sheriffs, and therefore to the marshals (CCA § 1915).

CPLR § 8011 is amended to change the prospective fees allowed on a judgment for both property and income executions from \$10.00 to \$15.00. See sections (a) and (b).

This new amount, added to the milage fees permitted by CPLR § 8012(d), \$25.00, comes to a total of \$40.00 allowed as prospective marshal's fees on a judgment.

Any judgment issued from this day on is to allow \$40.00 as a prospective fees on execution. Following our standing policy the clerks are directed to enter either the amount requested on the judgment or \$40.00, which ever is less.
