On review of submissions pursuant to section 500.11 of the Rules,
order affirmed, with costs. The Appellate Division properly
concluded that substantial evidence supports the Workers'
Compensation Board's determinations as to the claimant's degree
of impairment and loss of wage-earning capacity (see generally
Matter of Zamora v New York Neurologic Assoc., 19 NY3d 186,
192-193 [2012]). Chief Judge DiFiore and Judges Rivera, Stein,
Fahey, Garcia, Wilson and Feinman concur.

Decided November 16, 2017
