2.3 Holiday Schedule.

The following holiday schedule will take priority over the regular weekday, weekend, and summer schedules discussed above. If a holiday is not
specified as even, odd or every year with one parent, then our child[ren] will remain with the parent they are normally scheduled to be with.

Check One or Both:

- When parents are using an alternating weekend plan and the holiday schedule would result in one parent having the child[ren] for three weekends in a row, the alternating weekend pattern will restart, so neither parent will go without having the child[ren] for more than two weekends in a row.

- If a parent has our child[ren] on a weekend with an unspecified holiday or non-school day attached, they shall have our child[ren] for the holiday or non-school day.

Fill in the blanks below with the parent’s name to indicate where the child[ren] will be for the holidays. Provide beginning and ending times.
